the industry”**

**This is a franchise opportunity
with a lot of curb appeal**

The Garage Door Depot® has a strong competitive edge in that the management team has over 75 years of combined experience in both the garage door and the franchise industries. It is this knowledge and experience, coupled with the best support teams in the business, that will help our franchisees on the path to business success.

Our mission is to expand the franchise program giving The Garage Door Depot® an international presence made up of individuals who want to make the garage door industry a rewarding and meaningful career. The network, which will be comprised of “conversion” and new “non-conversion” start-up Garage Door Depot® franchises, will be the first of its kind in the industry with partners in hundreds of locations throughout North America and abroad.

As a new Garage Door Depot® Franchise and by being part of a growing network, you are part of something **BIG!** Like a large dealer, you get the best pricing, great marketing tools, local/regional/national advertising, electronic media, training, mentoring and so much more. We like to think of it as **“being in business for yourself but not by yourself”**.

Our “Mutual Investigation Process” is simple...

in **THREE STEPS** you can own your own
Garage Door Depot® Franchise

Step 1 - The Initial Enquiry

The first step is to request information either by phone or through our On-line Inquiry Form which can be found at www.garagedoordepot.ca. This is followed by an introductory informational email then a telephone call to further explain the program and answer any questions.

Step 2 - Franchise Application

Once step one is completed and we've determined you meet our initial criteria, you will be invited to complete a Confidential Personal History Report and forward it to our Corporate Head Office for our review.

Step 3 - Presentation Appointment

After reviewing your application, we will invite you to a Presentation Appointment at our corporate office in Vancouver, BC. This will give you an opportunity to meet with our senior management team, engage our franchise team, and in the end, determine for yourself if our franchise opportunity is a good fit for you. From here we proceed with the final franchise documentation and move forward with establishing you as a new Garage Door Depot® Franchisee.
