

Job Posting

August 10, 2011

Job Description: Commercial Garage Door Technician (Experienced)

The Garage Door Depot, a subsidiary of Canadian Access & Door Systems, is Canada's fastest growing Garage Door Sales, Service & Installation company.

Our Commercial Service Department has opening for an experienced door technician. Your primary job would be to respond to new and scheduled service needs of our commercial.

- Common Work Types include:
- Installation and/or Service of Commercial Overhead Doors & Operators
- Standard, LHR, High Lift and Full Vertical Lift Installations
- Parking Gate Repairs & Maintenance
- Operator Repair & Maintenance

If you have a great attitude and the right experience, we want to hear from you!

We provide:

- Fully equipped company service truck
- Tools and equipment
- Company uniform, cell phone & safety equipment
- Full Employee Benefit Plan
- Extended Training Opportunities
- Opportunity to Advance

This is a FULL TIME, Monday to Friday position working in the Greater Vancouver Area with overtime opportunities.

If you're tired of what you're doing now, want a change of scenery - we're the company you need to call.

Subcontractor opportunities may also be considered.

If this sounds like a great opportunity to you, reply to this advertisement with your resume using the online form at www.garagedoordepot.ca/jobs-careers/ or email your resume to info@garagedoordepot.ca

We thank all applicants however only those we wish to interview will be contacted.
