

## **BC Home & Garden Show 2011 "A Great Success!"**

The **2011 BC Home & Garden Show** was held this past week, Mar 2-6, at the newly constructed Vancouver Trade and Convention Centre. A very well attended show with many vendors from many different industries. For the Garage Door Depot, this was the first time it has ever entered a show like this directly. In the past, The Garage Door Depot as generally supported dealers wishing to participate in these kinds of shows but with our new consumer direct and franchise programs it was felt that The Garage Door Depot brand and offering needed to be front and center. With only two garage door companies represented at the show, the response was incredible! Having larger booth gave our sales and marketing team a great opportunity to promote and demonstrate the incredible line of garage doors from **Amarr Garage Doors** as well as operators and accessories from **Chamberlain Liftmaster**.

*"Based on the success of this show you can bet we'll be in all future shows and in other local home shows. These are great venues for getting local consumers aware of The Garage Door Depot brand. We're looking forward to working with our franchise partners on doing similar shows in their markets so they too can benefit. All in all, a great show!"* commented President & CEO, Dean Carman.

Look for us at the **Vancouver Home & Interior Design Show** October 13-16 also at the new Vancouver Convention Centre.
