COSTCO GARAGE DOOR SPECIAL ORDER PROGRAM

The Garage Door Depot, a wholly owned subsidiary of Canadian Access & Door Systems Inc., a 100% Canadian owned and operated business, is pleased to announce that it has been selected by **Costco Canada** and **Amarr Garage Doors** to deliver the Costco Garage Door Special Order Program in all eight Great Vancouver area Costco stores.

A similar program has been operating in the US for the past several years and in Canada, the program was launched in the fall of 2009 as a pilot program. The pilot, which ran in the Greater Toronto Area out of Amarr's Mississauga, Ontario Distribution Center was an incredible success and surpassed all expectations. As a result, Costco and Amarr began to expand the program and the first market outside of the GTA to get the program was Southwestern BC, and **The Garage Door Depot®** was selected to implement it.

Dean Carman, President and CEO, says, "When we became an Amarr dealer a number of years ago it was always a goal to somehow get the Costco program implemented here in our market. In late 2008 we approached Costco Canada. It took almost a year but with the help of Amarr Garage Doors, we were able to get the program launched. The pilot was a huge success and we're so happy to now have the program starting here in BC. Consumers want more places to confidently purchase big ticket home improvements and Costco presents a great venue for this. We are so pleased to be partnered with Costco and Amarr on this program"

The Garage Door Depot® begins a travelling road show that will have it spend a week at a time in each of the areas 8 local Costco stores. Their trained and professional staff will operate from a sales booth or kiosk be on hand at all times in the store to answer questions from Costco members about garage doors and help them choose a new garage door installation package for their home. The program launches April 5, 2010 beginning in the Langley, BC Costco store.
