Garage Door Depot to Provide Installation & Services for Lowe's in Selected Canadian Cities

The Garage Door Depot® is proud to announce that it has been selected by Amarr Garage Doors and Lowes Canada to provide garage door installation and services for customers in selected new Lowe's stores in Canada.

The Garage Door Depot, Canada's largest garage door sales, service and installation company, has begun providing contract garage door installation services and other related services for Lowe's stores located in **Barrie, Ontario, Regina, Saskatchewan** and the soon to open new Lowe's store in **New Westminister, British Columbia**.

"Our company is committed to not only to being the most recognized and trusted garage door company in Canada; we are also committed to our key product partner, Amarr Garage Doors. It is this commitment that has allowed us to enjoy great success and growth in our industry." Says Dean Carman, President & CEO of The Garage Door Depot.

"It is programs and partnerships like the Lowe's/Amarr one that allow us to add even greater value to our ever expanding Garage Door Depot franchise network. In fact, our franchisee operating the Barrie, ON market was the first Garage Door Depot location to get involved in the program." commented Pat Rutten, Vice President of Franchising for the Garage Door Depot.

About The Garage Door Depot®

The Garage Door Depot® is Canada's fastest-growing and largest retailer of garage doors, openers, parts, accessories, repair services and other related products. More than just a retailer, our national "Builder Services Group" focuses on the unique product, installation and service needs of the builder/new construction customer. Our commitment is to deliver high quality products, great customer service and professional workmanship all at a great value to our customers. Wholly owned by Canadian Access & Door Systems Inc., The Garage Door Depot opened its first location in BC in 2007 and began expansion eastward through franchising in 2010 opening branches in BC, Alberta, Saskatchewan and Ontario. With 18 locations currently the company is committed to continued growth within Canada with more locations planned in for western Canada, Ontario, Quebec and the Maritime Provinces.
